

Efficient. Predictable. Accurate. And it's so simple.

CONVENIENT CARTRIDGE DELIVERY

Proprietary disposable cartridges (gutta percha or RealSeal) minimize cross contamination risk and eliminate tedious, time-consuming cleanup. Made of silver for excellent heat conductivity, they load and disengage easily.

Heats Quickly; Shuts Off Automatically

Tip Temperature Continuously Maintained and Displayed

Choice of Speeds

Micro-Motor Eliminates Hand Fatigue

Pencil Grip Enhances Tactile Feedback for Greater Control

Easy-to-Read Polarized Tilting Screen Eliminates Glare and Provides Placement Flexibility

Handpiece Button Provides One-Touch Control for Instant Heating and Cooling with Automatic Timeout for Safety

One-Touch Controls for Efficiency and Accuracy

Small Footprint Takes Up Only 1/3 the Space of Two Separate Machines

Medical-Grade Connections Ensure Longevity and Accuracy
